Sir:

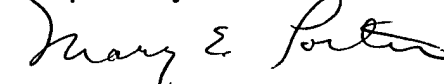

**PRELIMINARY AMENDMENT**

This amendment is being submitted in connection with the filing of a divisional application having priority in U.S. Ser. No. 08/994,236, filed December 19, 1997. Claims 12-21 were restricted from examination in the parent application as being directed to a non-elected invention.

Claims 1-2, and 4-11 were examined in the parent application and are being cancelled by amendment herein. Claim 3 was previously cancelled in the parent application. The specification is being amended to recite the parent application information. These amendments are submitted on separate pages attached hereto.

Applicants respectfully request entry of these amendments.

Respectfully submitted
